Re: Request for exemption from Closed Captioning Rules

Living Waters Foursquare Gospel Church, a Christian church, is hereby requesting an exemption from the Closed Captioning requirements for our program "Hands Reaching Out To You With Love" because of the undue financial burden that would be upon us to comply with such rules. Our program qualifies for exemption for the following reasons:

Hands Reaching Out To You With Love television program operated under the non-profit 501(c)3 status of Living Waters Foursquare Gospel Church. Our program is supported mainly by the charitable contributions of our church people (140). Money was **designated** over the course of several years toward TV Ministry to use when the time was right for us to do so. Last year we did just that and increased our outreach nationally, using most of the money designated. The cost of closed captioning would definitely be an undue burden upon our church. We cannot be compared to mega ministries that derive income from the sale of books, cds, dvds, and because of their size or popularity. We are the **"little kids on the block."** Yet "big" in impacting lives with hope in a great way.

Total Received from TV Viewers 2005	3,763.50
Total Received from church congregants 2006	10,630.00
Total cost for TV Air time paid in 2006	21,668.11

Combined Production and Air Time 2005/2006	(182,934.75)-
Combined Donations Received 2005/2006	<u>37,507.13 +</u>
Total Combined 2005/2006 loss	*(145,427.62)-

\*This money came from several years designated funds.

As can be seen within documents enclosed, most of the money paid out for production and air time was paid by several years of money put aside for TV Evangelism as noted above.\*

We have not produced any programs in 2006, nor been on the air because most of the designated money accumulated has been used. We would like to be on the air this year only as is possible within the funds received which will mainly come from the congregant's general giving which will be considered designated by our Church Council (Board) as is appropriate.

## GENERAL INFORMATION: Program, Cost, Vision, etc

Program: HANDS Reaching OUT TO YOU With Love!

Length: 28:30

Type: Religious, non-profit, Local production

State: WNAC Fox-Providence

Day+Time: Saturdays 6:00 AM

Air Cost: @ 150.00 per program

Production Cost: @ 850.00 per program

Our program DOES NOT generate income to offset  
the Air Time AND Production Cost:

@ 150.00	Air time Cost <u>per</u> program
@ 850.00	Production Cost <u>per</u> program
<u>1000.00</u>	TOTAL combined cost <u>per</u> program

Our purpose in Broadcasting our program on TV  
is to bring Hope, healing and motivation NOT  
to make money for salaries, etc.

It is a mission - (see our Vision & Mission  
Statement enclosed) to our community & outside.  
We have documentation of how our program  
has helped people.

An additional cost of 250-300.00 per program,  
depending on the editing company secured would  
be prohibitive at this time - an added burden,  
causing us to cease completely reaching those in need.  
As we grow in popularity & funds we would certainly

pay the ADDITIONAL costs for CHASED OPTION NO.

If we HAD to pay this ADDITIONAL cost  
we would NOT be able to CONTINUE the  
PRODUCTION & AIRING OF OUR PROGRAM  
AS we operate AT A LOSS NOW.
